Missing Person Update

On June 3, 2013 Law Enforcement recovered a body within the city limits of Grand Rapids. Based on the investigation conducted at the scene, the Grand Rapids Police Department believes the body to be that of William Russell Martin, who went missing on May 20, 2013.

Further details about the cause of death and positive identification of the body will be forthcoming in the next few days pending the results of a forensic autopsy which will be conducted at the St. Louis County Medical Examiner's office.
